1. Learn Russian and prepare for studies if necessary

The language of instruction at Gubkin University is Russian except 2 Master's degree programs that are taught in English.

To enter an academic program at Gubkin University it is required to pass a Russian proficiency test. There are several ways to study Russian language:

- take classes offered by the Preparatory Faculty (Department) of a Russian university;
- study at home and pass the Test of Russian as a Foreign Language (TORFL) in the training and testing language center for foreigners in your country founded by Rossotrudnichestvo or in Moscow . <http://rs.gov.ru/ru/contacts>).

Gubkin University offers the Preparatory Course for foreign citizens. The training period of the Preparatory Course continues for 10 months.

The language training program given by the Preparatory Department (programs of additional education)

Bachelor's program applicants study:

- Russian Language
- Mathematics
- Physics
- Chemistry
- Drawing
- Computer Science

Master's program and **postgraduate** applicants study:

- Russian language
- Advanced Mathematics
- Computer Science

Upon completion of the preparatory course students require to take exams. When all the exams are passed successfully and the admissions office gives recommendation to enter, applicants are enrolled in a Bachelor's/ Master's / Postgraduate degree programs.

Taking Preparatory Course enables applicants to integrate smoothly into life in the University and Russia, find out more information about the University, attend Open Days and choose the academic program.

Who does not need to take a Preparatory course to study Russian?

If you are a citizen of Commonwealth of Independent States (CIS) countries, the Baltics (Estonia, Latvia, and Lithuania), the Ukraine or Georgia you are allowed to take entrance exam for the Russian language without the completion of the Preparatory course. As a rule, these countries speak Russian as they were a part of the USSR.

To apply for admission to the Preparatory Department applicants are requested to contact the International Students Office via email: dis@gubkin.ru and submit the required documents (see Section 4.).

2. Choose the program

Gubkin University [has 9 Faculties which offer training in:](#)
