## Information Notice No. 2014-14

### Dispensation-Interim Period

Dear Member,

As you are aware, following the issue of Information Notice 2014-04 "Guidance for progression through levels 2 to 4", IWCF has agreed to implement the OGP recommendations for progression through the Well Control critical levels (2, 3 and 4).

While we firmly support the OGP in these recommendations, for the majority of candidates, there will inevitably be a number of exceptions.

In Information Notice 2014-07 "Requests for Dispensation", we agreed to allow dispensation for certain programmes such as national vocational training and in house graduate training. This will be done on a company by company basis.

We will also accept certificates from other organisations including IADC WellCAP. However we do accept that there may be other qualifications which meet the requirements for dispensation.

Until we have compiled a comprehensive database of such qualifications we would ask that candidates submit evidence of the programme/qualification concerned for this interim period, using the attached form.

If you have any questions please contact the IWCF Examinations team for guidance: [testsessions@iwcf.org](mailto:testsessions@iwcf.org).

Yours sincerely
